## Description

Rosa Awareness.

To produce some awareness material so seniors can understand how to use Rosa devices and what using Rosa will help to avoid. Providing creative guidance to define the project's vision, tone and style, while also overseeing quality control and accessibility to ensure the final output aligns with your objectives and branding.

Reviewing participant scripts prior to filming to assess length and gauge whether to have as one combined testimonial video or 3 separate ones. We will also provide recommendations for on-screen graphics for key messages within each testimonial.

Planning and call sheet preparation included.

Three shoots in London with 3 crew members including set-up, piece-to-camera filming, b-roll capture and de-rig

Animation of visual elements/title cards and intro/outro frames.
