Dfl - Provision of Parking Enforcement Services

Reference number

4222067

II.1.2) Main CPV code

- 98351110 - Parking enforcement services

II.1.3) Type of contract

Services

II.1.4) Short description

The service provider will be responsible for the management of the following: • On Street parking enforcement in three charged zones in Belfast, Newry and Lisburn. • On street enforcement of parking restrictions in 26 cities and towns across Northern Ireland that are non-charged zones. • On Street enforcement of one residents parking zone in Belfast. • Parking enforcement in 3 charged Park and Ride car parks near Belfast. • Bus lane and urban clearway enforcement using fixed and mobile CCTV in Belfast. • A Lift and Tow service for vehicles parked in a bus lane or urban clearway during a period of restriction. • Cash collection from P and D machines in charged zones – currently there are approximately 300 machines in place. • Provision of rationalised digitised P and D machines to replace the 300 currently on site. • P and D machine maintenance. • A cashless parking service as an alternative to paying by cash and displaying a ticket from an On-Street or Park and Ride car park Pay and Display (P and D) machine. • A clamp and removal service for PCN debt. • A pound facility to store vehicles removed to recover debt or for causing an obstruction on a bus lane or urban clearway. • A disposal service by either auction or crushing for vehicles held in the pound for more than 30 days that remain unrecovered by their owner. • Provision of a dedicated centralised customer service to facilitate enquiries from the public on matters such as P and D machine faults, season ticket management and removal of clamps etc. The current service deploys approximately 160 traffic attendants. It is hoped to reduce that figure to around 100 traffic attendants with the introduction of digitised enforcement. Approximately 120-160,000 Penalty Charge Notices have been issued annually through the current contract.

II.1.5) Estimated total value

Value excluding VAT: £75,000,000

VI.3) Additional information

This competition is being conducted in accordance with the Public Contracts Regulations 2015 ("the Regulations") and Department for Infrastructure (DfI) will use the Competitive Dialogue procedure which is governed by Regulation 30 of the Regulations. Further information on the competition and how the dialogue phase will be structured will be set out in the. Information Memorandum and the Instructions for Competitive Dialogue (ICD) which will be issued to those economic operators who advance in the procurement following the. evaluation of the responses to the Selection Questionnaire. In addition to the optional services, DfI reserves the right to modify and vary the contract to provide for additional services that are complementary to the services to be provided under the Contract in order to address future functions and requirements and/or additional requirements.. . Following the award of the Contract, DfI reserves the right to resort to the negotiated procedure without prior publication of a contract notice pursuant to Regulation 32 (9) of the Regulations. Please note that any date given in Section IV above is a best estimate at the time of dispatch of this notice. DfI reserves the right to extend any such date. The cost of responding to the Information Memorandum and the Selection Questionnaire and any subsequent participation in the procurement will be borne solely by the participating economic operator.. . Economic operators should note that DfI reserves the right to cancel this procurement process at any stage. Buy Social clauses may apply to this contract requiring the successful supplier to deliver measurable targets for social value..

VI.4) Procedures for review

VI.4.1) Review body

The UK does not have any such bodies with responsibility for appeal/mediation procedures.

Belfast

Country

United Kingdom

VI.4.3) Review procedure

Precise information on deadline(s) for review procedures

Precise information on deadline(s) for review procedures: Department for Infrastructure and CPD will comply with the Public Contracts Regulations 2015 and, where appropriate, will incorporate a standstill period (i.e. a minimum of 10 calendar days) at the point information on the award of contract is communicated to tenderers. That notification will provide full information on the award decision. This provides time for the unsuccessful tenderers to challenge the award decision before the contract is entered into.
