### **VII.2) Information about modifications**

#### **VII.2.1) Description of the modifications**

Nature and extent of the modifications (with indication of possible earlier changes to the contract):

This Modification Notice is to correct an administrative error which has come to light in relation to the Total Value of the Framework.

The figure published in Section II.1.7 (Total value of the procurement) of the Contract Award Notice is 160000 GBP. This update aligns with the figures published in Section II.1.5 Estimated total value and Section II.2.6 Estimated value of the Contract Notice.

#### **VII.2.2) Reasons for modification**

Need for modification brought about by circumstances which a diligent contracting authority/entity could not foresee.

Description of the circumstances which rendered the modification necessary and explanation of the unforeseen nature of these circumstances:

This notice is being published in terms of transparency in order to correct an administrative error which has only recently come to light.
