I.5) Main activity

Other activity

Forestry

Section II: Object

II.1) Scope of the procurement

II.1.1) Title

Forestry Commission Fleet Management and Workshop Software System

Reference number

FEE/0651

II.1.2) Main CPV code

- 48430000 - Inventory management software package

II.1.3) Type of contract

Supplies

II.1.4) Short description

The Forestry Commission (FC) require a Contractor to externally host, maintain and provide a Fleet Management & Workshop Software System (the System) that is fully functional on the FC's standard desktop, browser software and mobile phone application. It is expected that the Contractor will have experience with Fleet software and will have an existing software solution. The FC do not want to develop a bespoke system.

The System will be used for the monitoring and management of FC vehicles, mobile plant, and other such equipment/items. The System will record details of these assets and manage their location and service/repair history. Items recorded in the system will include vehicles, tractors, harvesters, strimmer's, chainsaws and may also include smaller hand tools. The System must include a Workshop Control module to manage FC items using FC's own staff, workshops, and external contractors.

II.1.6) Information about lots

This contract is divided into lots: No

II.1.7) Total value of the procurement (excluding VAT)

Value excluding VAT: £260,000

II.2) Description

II.2.2) Additional CPV code(s)

- 48430000 - Inventory management software package

II.2.3) Place of performance
