The Authority will undertake a Company Financial Assessment for each Tenderer using Dun & Bradstreet (D&B) Failure Risk Score for the Tenderer and any consortia or reliance members, as detailed in the minimum level(s) of standards required below.

Details of the D&B "A Guide to Dun & Bradstreet's Predictive Indicators" – can be found using the http address below:

The Authority will then use this further information to assess the Tenderer's level of failure risk. In the event that the Tenderer does not meet the financial criteria above, they may still be considered via some form of other assurance e.g. Parent Company Guarantee (providing parent has a failure risk score of 51 or more) or a performance bond. If this assessment identifies an unmanageable risk (i.e. it is unacceptable) the Tenderer will fail this assessment.
