II.2.4) Description of the procurement

The Healthcare Quality Improvement Partnership (HQIP) is seeking to commission an organisation that will support the delivery of the National Lung Cancer Audit. The audit will be delivered nationally. The aim of the procurement is to procure a high quality audit that will stimulate improvements in care for patients with lung cancer by measuring variations in quality, experience and outcomes. The successful bidder will be required to build on the achievements of the audit to date and enhance the ability of the audit to be used for healthcare improvement.

The total contract value is ?890,500 for the duration of three years. It is anticipated that the new service will commence in February 2022.

The services covered by Light touch regime are set out at Schedule 3 (Social and Other Specific Services) of Public Contract Regulations (PCR) 2015. The commissioner is not voluntary following any other part of the Regulations. The procedure that the Commissioner is following is set out in the Invitation to Tender. The process will be similar to Open Procedure under the Regulations applies and so reserves the right to depart from that procedure at any point.
