Coventry University Group has a requirement for Provision of Moves Management and is seeking to appoint several suppliers under the following Lots:

Lot 1 - Localised Coverage - Small Projects

Lot 3 - Specialised Move

The University intends to implement a Dynamic Purchasing System (DPS) to deliver these requirements.

The tender process will follow the restricted procedure under the Public Procurement Regulations 2015 (PCR 2015).

Establishing a DPS with multiple suppliers will help to create an environment that encourages fair competition, allowing suppliers to join at any time and choose whether to compete for all or any of the services under the DPS.

The DPS will remain open to allow new suppliers, previously rejected suppliers, to apply for admittance to the DPS at any point throughout its duration.
