Reference number

DN667483

II.1.2) Main CPV code

- 85100000 - Health services

II.1.3) Type of contract

Services

II.1.4) Short description

The subject matter of this process relates to the delivery of services which are listed in Schedule 3 of the Public Contract Regulations.

The Healthy Child Programme (HCP) is the national evidence-based framework for the delivery of universal public health services for all children and families from conception to 19 years. The HCP model and commissioning guides were updated in May 2021 outlining a vision of a modernised health visiting and school nursing service that responds flexibly to need to offer every family a programme of screening, developmental reviews and information and guidance to support parenting and healthy choices. The programme supports healthy pregnancy, children's early development and readiness for school, support for children and young people (CYP) in and out of school settings and reducing health inequalities and vulnerabilities.

The 0 to 5 element of the HCP is led by Health Visitors and the 5 to 19 element is led by Specialist Community Public Health Nursing (SCPHN), utilising a skill mix workforce, including (but not limited to) community staff nurses and nursery nurses and contribution from a range of delivery partners. The HCP model covers four levels of service, referred to as: Community, Universal, Targeted and Specialist.

An integrated 0-19 years public health service across Oxfordshire will include the 5 mandated developmental reviews for 0-5 years and nationally recommended contacts for 0-19 years, a Family Nurse Partnership (FNP) programme or local equivalent, Child Vision Screening for 4–5-year-olds, the National Child Measurement Programme (NCMP),

and a Personal Safety/Protective Behaviours programme. It is expected that the service will provide a seamless care pathway from 0-19 years.

The Contract period will be 5 years and 6 months (66 months) with an option for the Council to extend the Contract period by a further 2 years (24 months). The Contract is anticipated to commence on 1 October 2023 with service delivery commencing from 1 April 2024.

Full details relating to this procurement are available through the Council's e-tendering portal at <https://sebp.due-north.com/> (ref DN667483).
