Description

The works comprise the resurfacing and full construction of paths, playgrounds, car parks and the like across the city. Associated works could include fencing, drainage, the construction of steps and ramps and the installation of street furniture. Sites will be released to the Contractor on Works Orders and could range from a single Order for a patch repair (minimum value £500) to an order for a new car park. No continuity of work can be guaranteed, and the Contractor will be expected to mobilise within 4 weeks of receiving an Order. The Contract Period will be for 5 years. The continuation of the contract beyond the first 12 months, then annually thereafter, will be subject to the Contractor performing to a satisfactory level. Contractor performance will be measured using the KPI's outlined in Appendix H (see Preliminaries Item 1.8.6.8).
