**II.1.4) Short description**

The provision of a Make Ready service, its implementation, integration and ongoing management for frontline and patient transport vehicles.

Make Ready service is to ensure the scheduled number of frontline A&E vehicles and other supporting operational vehicles are cleaned, re-stocked, fully equipped and ready for use,

when and where needed on a 24/7 basis to meet SCAS's Operational demands. For every crew, for the start of every shift and at every site

SCAS wishes to achieve the following key objectives:

1. Provide a fully cleaned and stocked vehicle prior to the start of every operational shift
2. Improve vehicle cleanliness standards and stock
3. Improve tracking of equipment and ensure a clear audit trail is in place for equipment, consumables, vehicle cleanliness and condition of the vehicle
4. Optimise utilisation of SCAS assets
5. Improve medicine management
6. Reduce frequency and length of time vehicles are out of service
7. Reduce burden on operational crews pre- and post- shift
8. Improve forecasting and planning activities
9. Achieve efficiencies in overall costs
