Section III. Legal, economic, financial and technical information

III.1) Conditions for participation

III.1.1) Suitability to pursue the professional activity, including requirements relating to enrolment on professional or trade registers

List and brief description of conditions

If required, bidders are required to be enrolled in the relevant professional or trade registers within the country in which they are established.

Bidders must confirm if they hold the particular authorisation or memberships.

III.1.2) Economic and financial standing

List and brief description of selection criteria

Bidders will be required to have a minimum yearly “specific” turnover of (34,600,000)GBP for the last 3 years in the business area covered by the contract.

North Ayrshire Council reserve the right to review the bidder's financial information using company watch financial analytics at tender stage and throughout the life of the contract. If the bidder's financial health score (H-Score) is 25 or less further information/clarifications will be requested to ensure the equivalent economic and financial standing is adhered too. If this information or the clarifications are not satisfactory, the bidder will be excluded from the tender process.

Bidders who cannot meet the required level of turnover will be excluded from this tender.

Where turnover information is not available for the time period requested, the bidder will be required to state the date which they were set up or started trading.

It is a requirement of this contract that bidders hold, or can commit to obtain prior to the

commence of any subsequently awarded contract, the types and levels of insurance indicated below:

Employer's (Compulsory) Liability Insurance = [10 million]GBP in respect of any one event

<http://www.hse.gov.uk/pubns/hse40.pdf>

Public Liability Insurance [10 million]GBP in respect of any one event

Product Liability Insurance [5 million]GBP in the aggregate

Third-Party Motor Vehicle Insurance

A valid motor vehicle certificate must be held in the company name or (where there is no fleet but rather the company permits its employees to use their personal vehicles for business purposes), a letter signed by a person of appropriate authority - confirming that the company has ongoing arrangements in place to ensure their employees' vehicles are appropriately insured and maintained.

Where the economic operator relies upon the capacity of other parties in respect of selection and/or performance of the contract, then dependent on the nature of the arrangement the Council may require full disclosure of financial information in support of the bid. For example, where the bidder identifies as a consortium the Council will require each consortia member to meet the financial selection requirements contained in the procurement documents.

III.1.3) Technical and professional ability

List and brief description of selection criteria

Bidders are required to provide 2 examples of works carried out in the past 8 years that demonstrates they have the relevant experience to deliver the works described in the Contract Notice. The works must be of a similar value, size and scope. Unsatisfactory experience will result in exclusion from the tender process.

Bidders must also provide 2 satisfactory references for the same 2 contracts on the reference templates provided. References should be completed and signed by previous customers for contracts of a similar value, size and scope. If any of the referees score the bidder less than 2 the bidder will be excluded from the tender process. One example should include evidence of minework remediation or other unexpected ground conditions.

Completed experience and reference templates must be zipped and uploaded at question 4C.1 of the qualification envelope.

Bidders who intend to use a supply chain to deliver the requirements detailed in the Contract

Notice, must confirm they have (or have access to) the relevant supply chain management and tracking systems to ensure a resilient and sustainable supply chain. This will include confirmation that they have the systems in place to pay subcontractors through the supply chain promptly and effectively, and provide evidence when requested of:

a) their standard payment terms.

b) ≥95% of all supply chain invoices being paid on time (in accordance with the terms of contract) in the last financial year.

Bidders unable to confirm (b) must provide an improvement plan, signed by their Director, which improves payment performance.

Bidders are required to demonstrate knowledge of the climate emergency and the impact of their organisation, including their organisation's own scope 1 and 2 emissions. Accepted evidence includes but is not limited to:

- a completed copy of the Bidder 'priority contract' Climate Change Plan Template, including the bidder's calculated scope 1 and 2 carbon emissions and their planned projects and actions to reduce their carbon emissions.

Bidders are required to confirm whether they intend to subcontract and, if so, for what proportion of the contract.

Bidders who intend to subcontract more than 25% to any individual organisation must ensure the SPD (Scotland) - Subcontractors Supplier Response is completed and uploaded at question 2D.1.2 of the qualification envelope.
