Section IV. Procedure

IV.1) Description

IV.1.1) Type of procedure

Award of a contract without prior publication of a call for competition in the cases listed below

- The procurement falls outside the scope of application of the regulations

Explanation:

In terms of Midlothian Council's affordable housing policy, it is noted that the Shawfair area is one of the Council's locations with highest demand. As a result the Council requires to secure land within the Shawfair area to assist with meeting that demand and policy ambition and to deliver its Affordable Housing Supply Programme. The area of land at Shawfair owned by Bellway Homes fits with that policy ambition. The contract for the purchase of land is an excluded contract under Regulation 11(1) of the Public Contracts (Scotland) Regulations 2015 (2015 Regulations).

The Sellers have included as a condition of the sale of its land that the Council is required to enter into a construction contract with Bellway Homes for the construction of 34 social rented homes on the land being acquired. Without acquiring the land, the Council could not meet its policy in respect of affordable housing in the Shawfair area and the scheme would not be capable of progressing.

As a result the Council progressed using the negotiated procedure without prior publication on the basis the works could only be provided by Bellway Homes on the basis that (i) for technical reasons competition is absent and (ii) Bellway Homes has exclusive rights in respect of the land and has taken steps within the missives to protect its exclusive rights. There is no reasonable alternative in the Shawfair area. The negotiated procedure without publication was carried out pursuant to Regulation 33 (1) (b) of the 2015 Regulations.

Through this negotiated procedure, the Council has ensured that value for money has been achieved.

The Council will not award the contract for the period of at least 10 days from the date of publication of this notice and will also issue a contract award notice.
