II.1.4) Short description

On behalf of Gold Hill HA, B2G.services are tendering a national framework for use by contracting authorities across the UK wishing to procure the new or continued services of specialist roofing contractors to deliver pitched and solar roofing installations, repairs and upgrades, and all associated works, goods and services, for both residential and non-residential property.

Specialist pitched roofing contractors with proven capability of successfully delivering projects for contracting authorities are invited to email tenders@b2g.services.

Specialist solar contractors are invited to contact tenders@b2g.services with a view to registering for the DPS which operate alongside B2G frameworks, noting that B2G framework suppliers may assign projects to specialist suppliers registered on the B2G DPS, who then contract with the authority and deliver those elements under the auspices of the framework supplier, and compliant with the specification, standards and regulations set out in the framework documents. This facility optimises project procurement, delivery, risk management and control.

II.1.6) Information about lots

This contract is divided into lots: No

NUTS codes

- UK - United Kingdom

Main site or place of performance

Projects may be called off by any contracting authority anywhere in the UK. Supply and installation may be undertaken on any properties owned and/or managed by those authorities in the UK.

II.2.4) Description of the procurement

Contracting authorities will have the option to run a mini competition or direct award any contract to any supplier, Contracts may relate to either responsive or planned works, and in terms of scale may relate to anything from a single project on a single site to a programme of multiple projects across multiple sites delivered over an extended term.

II.2.5) Award criteria

Price is not the only award criterion and all criteria are stated only in the procurement documents

II.2.7) Duration of the contract, framework agreement or dynamic purchasing system

Duration in months

12

This contract is subject to renewal

Yes

Description of renewals

The framework agreement shall run for an initial term of twelve months and then automatically renew for subsequent periods of the same length until such time as B2G serves notice of termination.

The shortened term enables all parties to better withstand market and supply chain volatility, with pricing remaining current, competitive, durable and viable. The automatic renewal ensures optimum efficiency.

To ensure the framework remains open, fair and competitive at all times, additional suppliers may also be appointed, subject to submitting a bid and being evaluated and awarded by B2G in accordance with the same criteria and terms.

II.2.10) Information about variants

Variants will be accepted: No

II.2.11) Information about options

Options: No

II.2.14) Additional information

Whilst this framework will not seek to limit the choice and source of any products procured through it, given historic usage patterns and thus likelihood their products will feature in client specifications, it's been prepared with the active input and co-operation of system suppliers including Redland, Marley, Sandtoft and Cedral, with a view to facilitating the procurement of projects where their roofing and solar products are being installed.
