VII.2) Other additional information

During framework administration an error was spotted in the original contract award notice. This correction notice refers to the Lot 1 GDASS contract awarded at the conclusion of the framework tender process in July 2018 only. This call off contract value was entered for the initial term only (60 months) which is in error. It should reflect the the actual term (60 months + 24 months optional extension) as described in the original Contract Notice (OJEU Ref 2017/S 242-503339; section II.2.7). This notice corrects this. This value excludes any other call-off contract that may be awarded from the framework. Overall framework value remains at £14 000 000.00 GBP.
