## **I.5) Main activity**

General public services

---

## **Section II: Object**

### **II.1) Scope of the procurement**

#### **II.1.1) Title**

SC22211 Data System to Support Highway Condition Surveys

Reference number

DN654927

#### **II.1.2) Main CPV code**

- 48000000 - Software package and information systems

#### **II.1.3) Type of contract**

Supplies

#### **II.1.4) Short description**

The Kent County Council (KCC) owns and maintains a substantial highway network, with our roads and footways being by far our largest asset group.

The Council must ensure it achieves the most value and the best long-term condition for its road and footway assets. To do this, the Council needs to understand the condition of its assets to target planned works at the locations where it will deliver the most value. The

Council achieves this by regularly surveying the condition of its roads and footways. The results of these surveys are used to measure and report the overall network condition, identify sites for works where it is likely to achieve the best outcomes and undertake strategic modelling of asset condition in the future.

#### **II.1.6) Information about lots**

This contract is divided into lots: No

#### **II.1.7) Total value of the procurement (excluding VAT)**

Lowest offer: £109,850 / Highest offer: £240,000 taken into consideration
