Section II: Object

II.1) Scope of the procurement

II.1.1) Title

Register of Support Services Framework Agreement

Reference number

NHMF 0325

II.1.2) Main CPV code

- 92500000 - Library, archives, museums and other cultural services

II.1.3) Type of contract

Services

II.1.4) Short description

The National Memorial Heritage Fund (the Fund) is seeking to appoint suitably skilled and experienced consultants for our Register of Support Services Framework Agreement (RoSS). The Framework has 4 Lots as detailed below:

Lot 1 – Heritage & Culture Construction Project Management Consultant

Lot 2 – Business Development and Management Consultant

Lot 3 - Public Engagement with Heritage Consultant

Lot 4 – Natural Environment Consultant

The Fund provides grant funding to large, well-resourced and experienced organisations and other public bodies together with small voluntary/community groups with little or no experience of undertaking heritage projects.

This Framework is to be used by the Fund to commission consultants who can provide expert advice and support the assessment, mentoring and monitoring of projects.

This Framework will also be open to the Arts Council England (ACE) for them to use if required.

II.1.5) Estimated total value

Value excluding VAT: £4,900,000

II.1.6) Information about lots

This contract is divided into lots: Yes

Tenders may be submitted for maximum number of lots
4

The contracting authority reserves the right to award contracts combining the following lots or groups of lots:

Lot 1 – Heritage and Culture Construction Project Management

Lot 2 – Business Development and Management

Lot 3 – Public Engagement with Heritage

Lot 4 – Natural Environment

II.2.4) Description of the procurement

The NHMF supports a variety of heritage projects which engage in a broad range of ways with communities and the wider public. These projects focus on increasing access and diversifying audiences either as stand-alone initiatives or as an integrated element of a larger programme such as the redevelopment of a heritage asset.

Consultants will be required to provide monitoring, mentoring and advisory services, and will need to work and engage in a variety of heritage settings such as built heritage; natural heritage; industrial, transport or maritime heritage; museums, libraries and

archives; and intangible heritage or community heritage.

Consultants will be required to advise the Fund and monitor / mentor grantees in some of the areas below:

Pre application advice

Providing expert advice

Being a critical friend to grantees

Advising on approaches to engaging volunteers, etc

Details of the full requirement under this Lot is provided in the specification document.

II.2.5) Award criteria

II.2.4) Description of the procurement

The NHMF supports a wide variety of heritage projects that benefit nature and the environment either as stand-alone initiatives or as part of larger initiatives involving different types of heritage assets, landscapes and natural environments.

Consultants will be required to provide monitoring, mentoring and advisory services relating to landscapes and natural heritage and will be expected to work and engage in more than one type of natural heritage: habitats, species, semi-natural landscapes, rewilding schemes, designed landscapes (including public parks), geodiversity, and marine and aquatic environments. Consultants will also need to understand the requirements/opportunities associated with different designations affecting the natural environment (AONBs, SSSI's and so on) across the UK. Consultants will be required to advise the Fund and monitor / mentor grantees in some of the areas below:

Pre application advice to grantees

The preparation and implementation of conservation planning documents and plans by Grantees

Nature-based solutions to deliver a variety of environmental benefits

Green finance opportunities and investment readiness including different financing models for the sector, etc

Details of the full requirement under this Lot is provided in the specification document.

II.2.5) Award criteria

Price is not the only award criterion and all criteria are stated only in the procurement documents

II.2.6) Estimated value

Value excluding VAT: £900,000

II.2.7) Duration of the contract, framework agreement or dynamic purchasing system

Start date

1 April 2024

End date

31 March 2028

This contract is subject to renewal

No

II.2.9) Information about the limits on the number of candidates to be invited

Envisaged minimum number: 15

II.2.10) Information about variants

Variants will be accepted: No

II.2.11) Information about options

Options: No

II.2.13) Information about European Union Funds

The procurement is related to a project and/or programme financed by European Union funds: No

Section III. Legal, economic, financial and technical information

III.1) Conditions for participation

III.1.1) Suitability to pursue the professional activity, including requirements relating to enrolment on professional or trade registers

List and brief description of conditions

As stated in the procurement documents

III.1.2) Economic and financial standing

Selection criteria as stated in the procurement documents

III.1.3) Technical and professional ability

Selection criteria as stated in the procurement documents

III.2) Conditions related to the contract

III.2.1) Information about a particular profession

Execution of the service is reserved to a particular profession

Reference to the relevant law, regulation or administrative provision

As stated in the procurement documents

III.2.3) Information about staff responsible for the performance of the contract

Obligation to indicate the names and professional qualifications of the staff assigned to performing the contract

Section IV. Procedure

IV.1) Description

IV.1.1) Type of procedure

Restricted procedure

IV.1.3) Information about a framework agreement or a dynamic purchasing system

The procurement involves the establishment of a framework agreement

Framework agreement with several operators

IV.1.8) Information about the Government Procurement Agreement (GPA)

The procurement is covered by the Government Procurement Agreement: Yes

IV.2) Administrative information

IV.2.2) Time limit for receipt of tenders or requests to participate

Date

19 June 2023

Local time

5:00pm

IV.2.4) Languages in which tenders or requests to participate may be submitted

English

IV.2.6) Minimum time frame during which the tenderer must maintain the tender

Duration in months: 4 (from the date stated for receipt of tender)

Section VI. Complementary information

VI.1) Information about recurrence

This is a recurrent procurement: Yes

VI.2) Information about electronic workflows

Electronic invoicing will be accepted

Electronic payment will be used

VI.3) Additional information

The contracting authority considers that this contract may be suitable for economic operators that are small or medium enterprises (SMEs). However, any selection of tenderers will be based solely on the criteria set out for the procurement.

The contract period (term) will be from 1 April 2024 to 31 March 2028 inclusive. The Fund reserves the right to extend the Framework Agreement period by up to two years in exceptional circumstances.

To request to participate in this tender, interested organisations must complete and submit a SQD as detailed in this advert and via the Delta e-sourcing portal. The Fund will assess the SQDs to produce a shortlist of participants for each lot and invite participants to submit tenders for the relevant lot(s) for which they have pre-qualified.

Prior to the award of any framework, the Fund reserves the right at its discretion to re-assess the SQD tests to ensure that successful participants continue to meet the SQD criteria for the relevant lot(s)

for which they have been successful.
