#### II.1.4) Short description

The objective of the Patient/Citizen Communications & Engagement Solutions Framework is to enhance interactions with citizens as they access the healthcare system to ensure all patients receive reminders, alerts and support when needed. Switching to a more customer focused solution including online patient portals and patient self-service functionality will lead to more successful patient pathways and experience.

The framework aims to provide a simple, effective, efficient, and compliant route to market for the supply of communication methods to engage with patients, citizens and the workforce across NHS organisations and wider public sector bodies.

It provides access to communications, alerts, reminders, and appointment technology,

through a range of communication channels with Digital First, but ensuring inclusion is maximised by offering traditional methods such as Phone, Mail and SMS. Friends and Family Test (FFT) surveys can also be commissioned.

# VI.4.3) Review procedure

Precise information on deadline(s) for review procedures

? OJEU procedures include a minimum 10 calendar day standstill period at the point information on the award of the contract is communicated to bidders. This period allows unsuccessful bidders to seek further debriefing from the contracting authority before the contract is entered into. Such information should be requested from NHSSBS. If an appeal regarding the award of a contract has not been successfully resolved the Public Contracts Regulations 2015 provide for aggrieved parties who have been harmed or are at risk of harm by a breach of the rules to take action in the High Court (England, Wales and Northern Ireland). Any such action must be brought promptly.
