Scope

Description

Sheffield Children's NHS Foundation Trust is a national centre of excellence for child health, combining acute, mental health and community services with leading-edge paediatric specialisms. As a dedicated NHS children's

Trust, Sheffield Children's delivers world-class care for some of the most complex and rare conditions in the country, while supporting children's everyday health needs across our region.

Our specialist teams work at the cutting edge of paediatric care, from intensive care and cancer to orthopaedics, sleep, genetics and respiratory health, and our research partnerships extend our impact far beyond our

catchment.

We are now looking for an Audio-Visual partner to design and install a range solutions into different parts of the National Centre for Child Health Technology.

This covers four key areas:

- The Testbed Centre
- The Gait & Motion Lab
- Meeting Rooms
- Digital Signage
