**Section II: Object**

**II.1) Scope of the procurement**

**II.1.1) Title**

AMP8 Stormwater Alliance

**II.1.2) Main CPV code**

- 45000000 - Construction work

**II.1.3) Type of contract**

## Works

### **II.1.4) Short description**

Yorkshire Water (YW) is seeking to procure a Stormwater Alliance to support the delivery of its AMP8 capital investment programme. The AMP8 regulatory period will run from April 2025 to March 2030. This will cover, but not be limited to, design, civil engineering works and process works (including mechanical, electrical, instrumentation and telemetry) as well as scope and programme change management, progress and performance reporting, quality management and commissioning. The Alliance Agreement will include the option of extension for AMP9 requirements at the discretion of YW.

Alliance partners are required primarily to provide expertise, guidance, support and resources in design, planning, management, and delivery of non-infrastructure assets. This will include new assets, renewals, modification, maintenance, and refurbishment. Alliance partners may also be required to provide expertise, guidance, support and resources in design, planning, management, and delivery of extensions to water networks, sewerage networks and sewer rehabilitation works, and pumping stations.

YW is compiling its strategy for PR24, working in collaboration with stakeholders and regulators to confirm the capital projects and programmes that will need to be undertaken, and the investment available. It is anticipated the main tranches of work will be Stormwater Programme outputs.

Project delivery may be required prior to the start of the regulatory period, Yorkshire Water anticipates instructing work to be carried out before the start of AMP8 to assist the transition from the current AMP7 programme into the next regulatory programme.

### **II.1.5) Estimated total value**

Value excluding VAT: £1,300,000,000

### **II.1.6) Information about lots**

This contract is divided into lots: No

## **II.2) Description**

### **II.2.2) Additional CPV code(s)**

- 45231300 - Construction work for water and sewage pipelines
- 45232100 - Ancillary works for water pipelines

- 45232130 - Storm-water piping construction work
- 45232150 - Works related to water-distribution pipelines
- 45232151 - Water-main refurbishment construction work
- 45232152 - Pumping station construction work
- 45232400 - Sewer construction work
- 45232410 - Sewerage work
- 45232411 - Foul-water piping construction work
- 45232420 - Sewage work
- 45232421 - Sewage treatment works
- 45232422 - Sludge-treatment works
- 45232423 - Sewage pumping stations construction work
- 45232424 - Sewage outfall construction work
- 45232430 - Water-treatment work
- 45232431 - Wastewater pumping station
- 45232440 - Construction work for sewage pipes
- 45252100 - Sewage-treatment plant construction work
- 45252120 - Water-treatment plant construction work
- 45252126 - Drinking-water treatment plant construction work
- 45252127 - Wastewater treatment plant construction work
- 45252140 - Sludge-dewatering plant construction work
- 45259100 - Wastewater-plant repair and maintenance work
- 65100000 - Water distribution and related services
- 71310000 - Consultative engineering and construction services
- 71800000 - Consulting services for water-supply and waste consultancy
- 72224000 - Project management consultancy services

### **II.2.3) Place of performance**

NUTS codes

- UKE - Yorkshire and the Humber

## **II.2.4) Description of the procurement**

YW anticipates that an Alliance will consist of a minimum of one solutions design consultant and three contractors. YW intends to create a pre-qualified bidder list from which bidders will be requested to create a pre-formed Alliance for Invitation to Tender (ITT) stage. Bidders can form as one single entity or alternatively a delivery consortium made up of contractor(s) and/or design consultants. In the event of a delivery consortium, YW will require contractors to accept joint and several liability to YW.

Alliance Partners will work with YW from early concept phase to identify and develop solutions for our programme, and then provide design and construction work to deliver the outputs required for our customers.

### **II.2.14) Additional information**

#### Supplier Briefing

Interested parties are invited to attend a Supplier Briefing hosted by YW on Monday 5th June 2023. The venue for the Supplier Briefing is Yorkshire Water, Western Way, Buttershaw, Bradford, BD62SZ in our Confluence Hall.

Attendees are asked to arrive at 10.00 with an anticipated finish time of 12.00.

Please register your interest for the Supplier Briefing here:

<https://www.eventbrite.com/e/yorkshire-water-amp8-procurement-supplier-event-tickets-629997227667>

Please note that registration is limited to a maximum of two attendees per organisation. A separate supplier briefing will take place on the same day, with separate registration required for attendance.

## **II.3) Estimated date of publication of contract notice**

26 June 2023

## **Section IV. Procedure**
