# II.1) Scope of the procurement

II.1.1) Title

AMP8 Stormwater Alliance

#### II.1.2) Main CPV code

• 45000000 - Construction work

#### II.1.3) Type of contract

#### Works

### II.1.4) Short description

Yorkshire Water (YW) is seeking to procure a Stormwater Alliance to support the delivery of its AMP8 capital investment programme. The AMP8 regulatory period will run from April 2025 to March 2030. This will cover, but not be limited to, design, civil engineering works and process works (including mechanical, electrical, instrumentation and telemetry) as well as scope and programme change management, progress and performance reporting, quality management and commissioning. The Alliance Agreement will include the option of extension for AMP9 requirements at the discretion of YW.

Alliance partners are required primarily to provide expertise, guidance, support and resources in design, planning, management, and delivery of non-infrastructure assets. This will include new assets, renewals, modification, maintenance, and refurbishment. Alliance partners may also be required to provide expertise, guidance, support and resources in design, planning, management, and delivery of extensions to water networks, sewerage networks and sewer rehabilitation works, and pumping stations.

YW is compiling its strategy for PR24, working in collaboration with stakeholders and regulators to confirm the capital projects and programmes that will need to be undertaken, and the investment available. It is anticipated the main tranches of work will be Stormwater Programme outputs.

Project delivery may be required prior to the start of the regulatory period, Yorkshire Water anticipates instructing work to be carried out before the start of AMP8 to assist the transition from the current AMP7 programme into the next regulatory programme.

#### II.1.5) Estimated total value

Value excluding VAT: £1,300,000,000

### II.1.6) Information about lots

This contract is divided into lots: No

## II.2) Description

#### II.2.2) Additional CPV code(s)

- 45231300 Construction work for water and sewage pipelines
- 45232100 Ancillary works for water pipelines

- 45232130 Storm-water piping construction work
- 45232150 Works related to water-distribution pipelines
- 45232151 Water-main refurbishment construction work
- 45232152 Pumping station construction work
- 45232400 Sewer construction work
- 45232410 Sewerage work
- 45232411 Foul-water piping construction work
- 45232420 Sewage work
- 45232421 Sewage treatment works
- 45232422 Sludge-treatment works
- 45232423 Sewage pumping stations construction work

- 71310000 Consultative engineering and construction services
- 71800000 Consulting services for water-supply and waste consultancy
- 72224000 Project management consultancy services

#### II.2.3) Place of performance

#### **NUTS** codes

• UKE - Yorkshire and the Humber

### II.2.4) Description of the procurement

YW anticipates that an Alliance will consist of a minimum of one solutions design consultant and three contractors. YW intends to create a pre-qualified bidder list from which bidders will be requested to create a pre-formed Alliance for Invitation to Tender (ITT) stage. Bidders can form as one single entity or alternatively a delivery consortium made up of contractor(s) and/or design consultants. In the event of a delivery consortium, YW will require contractors to accept joint and several liability to YW.

Alliance Partners will work with YW from early concept phase to identify and develop solutions for our programme, and then provide design and construction work to deliver the outputs required for our customers.

#### II.2.14) Additional information

Supplier Briefing

Interested parties are invited to attend a Supplier Briefing hosted by YW on Monday 5th June 2023. The venue for the Supplier Briefing is Yorkshire Water, Western Way, Buttershaw, Bradford, BD62SZ in our Confluence Hall.

Attendees are asked to arrive at 10.00 with an anticipated finish time of 12.00.

Please register your interest for the Supplier Briefing here:

https://www.eventbrite.com/e/yorkshire-water-amp8-procurement-supplier-event-tickets-629997227667

Please note that registration is limited to a maximum of two attendees per organisation. A separate supplier briefing will take place on the same day, with separate registration required for attendance.

## II.3) Estimated date of publication of contract notice

26 June 2023
