RTC parc clwyd 2026

Description

Ruthin Town Council, through the Parc Clwyd Rhuthun project, is seeking quotations for the provision, installation, and maintenance of cycle equipment, gym equipment, and canopy shelters as part of the redevelopment of Cae Ddol Park, Ruthin, and additional locations across the town.

This RFQ invites contractors to submit bids for:

? Lot 1 – Supply of the equipment.

? Lot 2 – Installation of the equipment (including concrete bases, surfacing, and site preparation).

Bidders may submit for one or both lots.

The Parc Clwyd Rhuthun project is a significant community initiative aimed at enhancing public access to outdoor recreational spaces. The scope includes:

- ? Cycle Equipment: Bike racks, bike shelters, bike pumps, and repair stands.
- ? Gym Equipment: Multi-unit outdoor gym equipment.
- ? Canopy Shelters: Providing protection and cover for cyclists, park users, and gym users.

Scope of Work

Lot 1 – Supply of Equipment

The successful contractor will be required to supply:

- ? Cycle racks, cycle shelters, bike pumps, and repair stands.
- ? Outdoor gym equipment, including multi-unit setups.
- ? Canopy shelters for outdoor activity spaces.

All equipment should comply with UK safety regulations, be durable, and designed for outdoor use. Bidders should provide manufacturer details, specifications, and warranty information.

Lot 2 – Installation of Equipment

The successful contractor will be required to:

- ? Install all items supplied under Lot 1.
- ? Prepare the site, including concrete foundations, bases, and surfacing as required.
- ? Ensure equipment is securely fixed and safe for public use.

Total value (estimated)

- £320,000 excluding VAT
- £384,000 including VAT

Above the relevant threshold

Lot constraints

Description of how multiple lots may be awarded:

The project has been split to allow for bidders to quote for supply only, supply install, and install only

Lot 1. Supply of Equipment

Description

The successful contractor will be required to supply:

Cycle racks, cycle shelters, bike pumps, and repair stands.

Outdoor gym equipment, including multi-unit setups.

Canopy shelters for outdoor activity spaces.

All equipment should comply with UK safety regulations, be durable, and designed for outdoor use. Bidders should provide manufacturer details, specifications, and warranty information.

Lot value (estimated)

- £160,000 excluding VAT
- £192,000 including VAT

Same for all lots

CPV classifications, contract locations and contract dates are shown in the Scope section, because they are the same for all lots.

Lot 2. Installation

Description

The successful contractor will be required to:

Install all items supplied under Lot 1.

Prepare the site, including concrete foundations, bases, and surfacing as required.

Ensure equipment is securely fixed and safe for public use.

Installation Pricing Guidance:

Bidders for Lot 2 are asked to provide a price based on the indicative quantities, dimensions, and specifications in Appendix 1. Prices should include all site preparation, concrete foundations, surfacing, and installation work.

? Submit unit rates per item (e.g., per multi-gym unit, per bike shelter, per canopy) to allow flexibility once Lot 1 supply is confirmed.

? Any significant changes to equipment type, size, or quantity arising from Lot 1 will be negotiated with the successful Lot 2 contractor.

Porous Soft Pour Finish: Areas surrounding gym equipment should be finished with a porous soft pour surface to define the space and aid grass maintenance.

Lot value (estimated)

- £160,000 excluding VAT
- £192,000 including VAT

Same for all lots

CPV classifications, contract locations and contract dates are shown in the Scope section, because they are the same for all lots.
