II.1.4) Short description

The Royal Parks (TRP) is inviting tenders for the provision of a Principal Contractor to provide construction works for the Wolfe Catering Kiosk and Furniture Store which form part of the Greenwich Park Revealed project. The purpose of the contract is to deliver the construction of one new catering kiosk and a furniture store within an area of brand new public realm as part of the Greenwich Park Revealed programme. The new public realm will transform a congested area into an accessible, enlarged public space enabling more park visitors to be able to enjoy the iconic views of this World Heritage Site. The contract scope is for a Principal Contractor to undertake the construction of 1 no. catering kiosk and 1 no. furniture store. The Wolfe Catering Kiosk and Furniture store are new build constructions within an extremely busy and popular area of the park. The buildings will be of a very high quality in keeping with the prestigious location. The works sites will be in close proximity to the entrance of the Royal Observatory which receives over 2m visits per year and for which access will need to be maintained at all times. A catering van will be located to the north of the catering kiosk site location to provide a temporary catering offer during the works. The Kiosks Contractor will be required to facilitate a power supply to this site utilising the existing feeder cabinet during the works. New paving recently installed by the landscape contractor, which sits between the Catering Kiosk and the Furniture Store, cannot be trafficked by vehicles so all movements across this area will need to be managed accordingly. Detail will be provided in the forthcoming tender documentation.
