This is a Provider Selection Regime (PSR) intention to award notice. The awarding of this contract is subject to the Health Care Services (Provider Selection Regime) Regulations 2023. For the avoidance of doubt, the provisions of the Public Contracts Regulations 2015 do not apply to this award. The publication of this notice marks the start of the standstill period.

Representations by providers must be made to decision makers by midnight on 16th April 2025. This contract has not yet formally been awarded; this notice serves as an intention to award under the PSR. Written representations should be sent to syheartlandsicb.contractsadmin@nhs.net.

The award decision-makers were members of the following forums:

Medicines Optimisation Board

Commissioning, Contracting and Commercial Committee

Executive Team

No conflicts of interest or potential conflicts of interest were noted.

Key Criteria 3 Integration, collaboration and service sustainability and Key Criteria 4 Improving access, reducing health inequalities and facilitating choice were most highly weighted for this service in consideration of the urgent nature of the requirement to obtain these medications from convenient easily accessible locations and the intrinsic collaborative nature of the service across system working.

Key Criteria 1 Quality & Innovation and Key Criteria 2 Value were considered important but this is a small, ring fenced service for which flexibility and innovation is less apparent and for which value is achieved.

Key Criteria 5 Social Value was weighted third most highly; operational practices and employment opportunities present.

The existing pharmacy contractor has consistently demonstrated adequate and sustained good delivery of services and the delivery and reporting actions required, ensuring compliance with expected standards. Their ongoing performance provides assurance regarding the continuity and reliability of future service provision.
