Note in description

Scope

Reference

C387054

Description

The key aim of this work is to contract with a partner organisation to deliver a package of user engagements to ensure that the programme is delivered in a way which takes account of the needs of end users.

The requirements and specific deliverables are outlined below.

1. Strategy
2. Consumer Analysis
3. Engagement
4. Involving people living with diabetes
5. Sharing good practice.

The NHS Diabetes Programme is jointly delivered with Diabetes UK. Diabetes UK, the leading charity for those living with diabetes, provides subject matter expertise and the patient voice and has been part of the programme since it was launched 5 years ago.

NOTE: Actual start date of this contract is 05/09/2025. An issue with the FTS Notice does not allow a start date to be added retrospectively.
