This is a Provider Selection Regime (PSR) intention to award notice. The awarding of this contract is subject to the Health Care Services (Provider Selection Regime) Regulations 2023. For the avoidance of doubt, the provisions of the Public Contracts Regulations 2015 do not apply to this award. The publication of this notice marks the start of the standstill period. Representations by providers must be made to decision makers by [Add date]. This contract has not yet formally been awarded; this notice serves as an intention to award under the PSR. Representations should be sent to : Clare.martin@sabp.nhs.uk Award decision makers: Associate Director For Primary and Community Transformation, Professional Lead for Lived Experience Development, Senior Contract Manager No conflicts of interest were declared. CMHTP Strategic Steering Board (Surrey and North East Hampshire) is committed to developing sustainable and integrated partnerships with providers from the VCSE sector. Mary Frances Trust entered into the original contract with SABP on 01/02/2021 for an initial term until 31/03/2024 and then extended by 1 year. The new co-produced services were implemented as part the national community mental health transformation programme to improve the quality and efficiency of services, through integrated service delivery to better meet the needs of adults (aged 18 years and above) with significant mental health needs. They are satisfying the original contract, and the new contracting arrangements are not changing considerably. The key evaluation criteria and supporting evidence submitted by Mary Frances Trust shows that they are likely to satisfy the proposed contract to a sufficient standard. The relative importance of each of the key criteria was considered and it was decided to assess based on equal weighting. Basic criteria were assessed by met or unmet. A PSR evaluation panel was stood up consisting of the individuals listed below to assess the key criterion information and supporting evidence submitted by Mary Frances Trust
