PIN for Request for Information

North of England Commissioning Support (NECS) working with NHS England North East and Yorkshire (NHSE NE&Y) and NHS North East and North Cumbria Integrated Care Board (NENC ICB) is managing the procurement process for the provision of St George and Riverside Health Centres APMS Service in South Tyneside.

Based on indicative forward activity and a proposed 7+2 years term, the contract would equate to £6.75m

The Contracting Authorities are conducting a Request For Information (RFI) exercise to engage with the market and to gather information in order to gain a better understanding of both the capacity and appetite of the market in delivering the proposed service, and to alert the market to a possible future tender opportunity.

It should be noted that this PIN/RFI invites individuals and organisations to express an interest in this RFI exercise, and it is NOT a pre-qualification questionnaire, and is NOT part of any pre-qualification or selection process. This PIN/RFI is intended as an awareness, communication, and information gathering exercise.

NECS is utilising an electronic tendering portal (In-Tend) to manage this RFI and as such interested individuals and organisations will need to register on the portal to access the RFI documentation and submit their completed RFI.

The In-Tend e-Tendering portal can be found at:

<https://in-tendhost.co.uk/nhsnecsu.aspx/Home>

Please follow the registration instructions (if you are not already registered) and look for the project NHSE805 - St George and Riverside Health Centres Alternative Provider Medical Service APMS.

Please note that it is free to register on In-Tend, which can be accessed at any time of day as long as you have a working internet connection.

The Transfer of Undertakings (Protection of Employment) Regulations 2006 (as amended) may apply to a future procurement including the New Fair Deal non-statutory policy setting out how pensions issues are to be dealt with when staff are compulsorily transferred from the public sector to independent providers delivering public services.

The RFI documentation will be accessible from 09 May 2023 and completed RFI responses must be submitted by no later than 12 noon 23 May 2023.
