## **Scope**

### **Description**

This Framework is for the provision of arboriculture services within The Royal Borough of Windsor and Maidenhead for standard, time sensitive and emergency arboriculture work. Work will be required along the public highway (which must be carried out in accordance with the requirements of Chapter 8 of the Traffic Signs Manual and further detailed in the booklet entitled "Safety at Street Works & Road Works", the New Roads and Street Works Act 1991, The Traffic Management Act 2004 and Traffic Management Permit Scheme (England) Regulations 2007 and any subsequent amendments thereto), on public rights of way and on sites within Borough such as cemeteries, churchyards, parks, open spaces and property sites.

There are 30,299 individual trees recorded on the adopted highway, in parks, open spaces and cemeteries within RBWM. The Authority is currently in the process of completing an audit and condition survey of trees in some of these sites and estimates a further 5,000 trees will be added to our records. In addition, the Authority manages a number of small woodlands and hedgerow trees.

The Authority is firmly committed to maintaining the trees and woods as a vital part of the environment of The Royal Borough of Windsor & Maidenhead.

The proposed Framework will play a key part in helping to deliver the aims and
