Description

Portsmouth City Council (PCC) is seeking to commission domestic abuse victim services that reflect the strategic priorities outlined in its Commissioning Framework. This tender opportunity will invite experienced and qualified providers to deliver services that prevent abuse, protect victims, promote recovery, and engage with individuals who use harmful behaviours. The commissioning approach is rooted in survivor insight, local needs assessments, and statutory duties under the Domestic Abuse Act 2021 and the Safe Accommodation Duty.

We recognise the experience and innovation that suppliers can bring to these services. As such PCC would welcome your organisation's market information, which will be used to enable PCC to draw up a high-quality specification that meets the needs of domestic abuse services and its clients.

As part of this consultation there is a questionnaire for providers to complete which will help us in deciding our future commissioning models. We welcome any feedback from interested parties. Providers are encouraged to complete as many of the questions within the questionnaire as possible.
