Scope

Description

The Victoria and Albert Museum is seeking a supplier to procure approximately 170 mannequins for its new permanent Fashion Gallery. This prominent FuturePlan project includes the design and manufacture of fashion mannequins of various shapes and sizes, and will require a modular and bespoke approach to development and production. Objects include historical and contemporary garments with a global scope. These will be displayed on a range of mannequin types including full figures and bust forms, with an option to consider head treatments and bespoke adaptations as required.

A Preliminary Market Engagement Notice was published on 11 March 2025. Notice identifier: 2025/S 000-008860
