## **Bridges and Civil Structures Maintenance Contract**

Transport for London

UK6: Contract award notice - Procurement Act 2023 - [view information about notice types](#)

Notice identifier: 2026/S 000-013167

Procurement identifier (OCID): ocds-h6vhtk-04fe07 ([view related notices](#))

Published 12 February 2026, 5:09pm

## **Scope**

## **Reference**

WS2491404443

## **Description**

Transport for London conducted a competition via the Competitive Flexible Procedure under the Procurement Act 2023 and a contractor has been selected from this process, to provide an aggregated planned preventative and reactive maintenance service for the "Bridges and Civil Structures Maintenance Contract" (non-trackside) for 5 years, with an option to extend for 3 years.

The services covered by this contract include the application of protective coatings to civils assets such as brick, masonry, concrete structures, and steelwork; vegetation management (non -track side); intervention activities to cable posts including replacement of defective cable posts; maintenance interventions to brick tunnel, covered way and girder maintenance; intervention activities to cable stiles; inspection planning and support services; cable draw pit maintenance; four-yearly interventions to assets; replacement of missing/damaged identification plates and; fault response and reactive maintenance.

These services are critical in ensuring the safety of railway operations and the bridges and structures maintenance contract is pivotal in upholding safety standards and preventing accidents.
