Description

The London Borough of Redbridge is seeking responses to a questionnaire and inviting providers to an online Market Engagement Event. This is to support the procurement of a Prevention Service for Adults over the age of 65.

The online event will be held via TEAMS on Wednesday 23rd April 2025 from 2-3pm. If you would like to join this session, please register via the messaging function for an invitation to the event. Please provide an email address for those wishing to attend. There is no limit to the number of attendees that may wish to join.

The questionnaire is available on page 2 of this document and is not evaluated or scored. This is for engagement and development purposes only and responses to the questionnaire will be kept confidential. Please respond to the questionnaire by 5pm Friday

25th April 2025.

Both the online event and questionnaire will be an opportunity to engage with commissioners and have dialogue around the vision for a prevention service in Redbridge. The Local Authority is currently looking at a prevention model within the borough and are looking at what services are currently in the market for residents over the age of 65.

We are looking for several services that meet the needs of Redbridge residents and innovative ways in which these services can be delivered. This can be through assistive technology.

Possible services may include but is not limited to:

Home settle and support service (discharge from hospital)

Falls prevention service

Day services including activities

Advice and Support service

Befriending service

Early Dementia Support service

Total value (estimated)

- £1,000,000 including VAT
