## **Section VI. Complementary information**

### **VI.3) Additional information**

This process is now concluded.

1) Interested parties must register their interest on the mytenders web site ([www.mytenders.co.uk](http://www.mytenders.co.uk)) in order to be included on the mailing list for clarifications. All information relating to attachments, including clarifications and changes, will be published on the Portal ([www.mytenders.co.uk](http://www.mytenders.co.uk)) only. Registration is free of charge. The contracting authority will

not accept responsibility for information relayed

(or not relayed) via third parties.

2) This is the sole call for competition for this service.

3) The contracting authority will not be responsible for any costs, charges or expenses incurred by candidates or tenderers.

4) Contract award will be subject to the approval of the competent authorities.

5) If for any reason it is not possible to award the contract one or more of the tenderers invited following the conclusion of this competitive process, the contracting authority reserves the right to award the contract to the next ranked tenderer as appropriate.

6) At its absolute discretion, the contracting authority may elect to terminate this procurement process or any contract awarded.

7) Please note in relation to all documents, that where reference is made to a particular

standard, make, source, process, trademark, type or patent, that this is not to be regarded as a de facto requirement. In all such cases it should be understood that such indications are to be treated strictly and solely for reference purposes only, to which the words 'or equivalent' will

always be appended.

8) Without prejudice to the principle of equal treatment, the contracting authority is not obliged to engage in a clarification process in respect of questionnaires with missing or incomplete information. Therefore, candidates are advised to ensure that they return fully completed questionnaires in order to avoid the risk of elimination from the competition.

(MT Ref:231849)
