The Combined Authority's current core web presence is now outdated in terms of technology and functionality. Furthermore, since development, the Combined Authority has gone through a significant period of change. This brings additional demands and expectations from stakeholders, communities, and partners. The ability for us to engage with external audiences are not met through our current websites.

This project will amalgamate all West Yorkshire Combined Authority websites and brands including the Combined Authority, West Yorkshire Metro, Invest West Yorkshire, West Yorkshire Business and Skills, Future Goals and City Connect. along with various other stand-alone sites that sit on external platforms. These will be redeveloped into either two (MCA corporate including Inclusive Economy, Transport) or three primary websites (MCA corporate, Inclusive Economy, Transport).
