Engagement process description

The Department for Work and Pensions (DWP) Commercial Directorate is undertaking preliminary market engagement to inform the forthcoming procurement of Commercial Strategy and Procurement Delivery Services.

This engagement aims to help suppliers understand our objectives and early design considerations, and to enable the market to provide evidence based feedback that may help shape the final procurement approach. Participation is optional and will not advantage or disadvantage any supplier in any future competition.

DWP is inviting suppliers to complete a questionnaire, covering themes such as route to market options, contract strategy, onboarding, requirements development, commercial models, social value, and risk. Following review of questionnaire responses, DWP may invite a limited number of suppliers to short 1-1 clarification discussions, conducted transparently and recorded to ensure fairness. Where further questions arise beyond the questionnaire, DWP may issue a short follow up request to participating suppliers.

Suppliers wishing to participate should request the PME Briefing Pack and questionnaire by contacting:

PROFESSIONAL.SERVICES@dwp.gov.uk

Emails should use the subject line: “Commercial Strategy and Procurement Delivery Services – PME”

Completed questionnaires must be submitted by 01st March at 5pm. Responses received after the deadline will not be considered.
