Description

UK 6 - Contract award notice - Strengthening Families Together: Families First Programme Disability Support.

Families First is designed to improve outcomes for children, young people and families. It places an emphasis on early intervention, prevention, and providing support for whole families, rather than individuals. The programme promotes greater multi-agency working to ensure families receive joined-up support when they need it. The intention of the programme is to provide early support for families with the aim of preventing problems escalating.
