The Department of Finance - IT Assist wishes to establish a Framework Agreement for Disposal Services for IT equipment, electronic and electrical equipment for use by the Northern Ireland Public Sector including Northern Ireland Civil Service Departments, Agencies and Non Departmental Public Bodies. Unauthorised disclosure of information / sensitive data is a major risk mainly due to the increasing dependence on electronic storage systems and the use of disposable media. Organisations have therefore developed asset disposal strategies that can require data to be deleted from media and equipment sometimes prior to its permanent removal from site for disposal and/or recycling or for assured data destruction. The framework therefore seeks to appoint Suppliers to; securely and irreversibly delete data from a range of media either on the customer's premises or offsite; and securely and legally dispose of redundant information and communications technology equipment and media. Once the Framework Agreement has been established, secondary competitions will be completed for each disposal required. The Framework period is for 4 years. Section VI. Complementary information

VI.3) Additional information

Framework monitoring: the successful contractor's performance on the Framework Agreement will be regularly monitored. Contractors. not delivering on contract requirements is a serious matter. It means the public purse is not getting what it is paying for. If a contractor. fails to reach satisfactory levels of contract performance they will be given a specified time to improve. If, after the specified time, they. still fail to reach satisfactory levels of contract performance, the matter will be escalated to senior management in construction and. procurement delivery (CPD) for further action. If this occurs and their performance still does not improve to satisfactory levels within. the specified period, this may be considered grounds for termination of the Suppliers Place on the Framework Agreement at your. expense as provided for in the Conditions of Contract. In lieu of

termination, CPD may issue a Notice of Written Warning or a Notice of Unsatisfactory Performance. A supplier in receipt of multiple Notices of Written Warning or a Notice of Unsatisfactory Performance may, in accordance with The Public Contracts Regulations 2015 (as amended), be excluded from future public procurement competitions for a period of up to three years. The Framework Agreement is being let by the Department of Finance on behalf of any listed public sector organisations requiring services in Northern Ireland including:- Government Departments; Agencies; Non-departmental Public Bodies; or other Contracting Authority (including subsidised bodies or other grant recipients). A list of organisations is included in the tender documents. This framework Agreement will be used to progress the Government's wider social, economic and environmental objectives..

VI.4) Procedures for review

VI.4.1) Review body

The UK does not have any such bodies with responsibility for appeal/mediation procedures. Instead; any challenges are dealt with by the High Court, Commercial Division, to which proceedings may be issued regarding alleged breaches of the PCR 2015 as amended.

VI.4.3) Review procedure

Precise information on deadline(s) for review procedures

CPD complied with the Public Contracts Regulations 2015 (as amended) and incorporated a standstill period (i.e. a minimum of 10 calendar days) at the point information on the award of contract was communicated to tenderers. That notification provided full information on the award decision. This provided time for the unsuccessful tenderers to challenge the award decision before the contract was entered into.
