- The contract has its object services listed in Annex II B

Explanation:

DVSA is currently going through the process of securing Cabinet Office and GDS approvals whilst adhering to the Government Outsourcing Playbook to go to market for a new Technical Support Service and currently expect a tender to be issued in July 2021. The current service ends on 30th June 2021 and DVSA need to retain continuity of service until such time as a new supplier is appointed.

The incumbent supplier has in depth knowledge of DVSA's Digital Services and the infrastructure in place to continue to provide the support services seamlessly and with no disruption to our digital services. It is anticipated that the procurement of the new service will take 3 to 4 months to complete. In addition, the transition of support services will take at least 1 month.
