VII.1.6) Information on value of the contract/lot/concession (excluding VAT)

Total value of the contract/lot/concession:

£110,000

VII.1.7) Name and address of the contractor/concessionaire

Water Plus Ltd

South Court, Riverside Park, Campbell Road

Stone On Trent

ST4 4DA

Country

United Kingdom

NUTS code

- UK - United Kingdom

The contractor/concessionaire is an SME

No

VII.2) Information about modifications

VII.2.1) Description of the modifications

Nature and extent of the modifications (with indication of possible earlier changes to the contract):

Installation of further basic remedial devices across the remaining 8 sites.

VII.2.2) Reasons for modification

Need for additional works, services or supplies by the original contractor/concessionaire.

Description of the economic or technical reasons and the inconvenience or duplication of cost preventing a change of contractor:

The proposed contract variation falls within the safe harbour Reg 72(1)(b) additional necessary services as outlined in PCR 2015. This is because the variation involves installing additional basic remedial devices across the remaining 8 sites, which aligns with the original scope of the water efficiency scope encompassing all 30 sites. Additionally, the variation aims to maximise potential water savings, which is consistent with the project's objectives as outlined in the contract. Therefore, the proposed variation aligns with the scope of the original contract and does not substantially change its nature.

VII.2.3) Increase in price

Updated total contract value before the modifications (taking into account possible earlier contract modifications, price adaptations and average inflation)

Value excluding VAT: £55,000

Total contract value after the modifications

Value excluding VAT: £165,000
