Description

This is a Planned Procurement Notice (PPN) for information purposes only. It is not a formal invitation to tender. You will need to respond to the tender notice in order to be considered for these contracts. The purpose of this PPN is to maximise transparency and competition for the upcoming tender notice. All details in this PPN are subject to being updated or changed in the final tender notice.

The PPN is being published to advertise a Preliminary Market Engagement. Over the coming months, Southwark Council will be developing a future service model for a Carer Centre for unpaid carers.

Unpaid carers are people who provide care for a friend, family member, or neighbour who has an illness, disability, mental health concern, or who is older and needs extra support. Unpaid carers do not receive any payment from the council or a private company for this caring role.

The new Carer Centre will be located in Southwark and will offer a range of services for
