#### **II.2.4) Description of the procurement**

The Student OH Service will include pre-enrolment screening, pre-placement review and immunisation service for new students and referral services and maintained immunisation service for ongoing students. Other services may be required, including but not limited to; mental health assessment, health surveillance and identification of support that can be offered. It is also a requirement that Students have access to their past records, including immunisation records once they have graduated.

The University of Wolverhampton's overarching purpose is to deliver an excellent

educational experience to all its undergraduates, post graduate and research degree students, along with those on professional courses. Within the University several courses offered have a Fitness to Train course entry stipulation and furthermore a requirement of immunisation evidencing e.g., Nursing, Paramedic and the faculty is required to evidence good health of its students of which placement activity contributes to their successful course completion.

This Contract has recently been covered by an external Occupational Health Service Provider, the current Contractor has confirmed TUPE does not apply to this Contract.

The successful Tenderer must evidence accreditation with Safe Effective Quality Occupational Health Service (SEQOHS), which promote a set of standards and a process of accreditation that aims to help to raise the overall standard of care provided by Occupational Health Services.

The Service Provider must be able to demonstrate professionalism, flexibility and deliver services as described in Schedule 1 - The specification.

Tenderers must:

- Understand the University's business, culture and values and provide a service which supports and upholds these;
- Foster a culture of accessibility to the service to encourage a positive intervention;
- Provide timely reports to gauge any trends;

#### **II.2.5) Award criteria**

Price is not the only award criterion and all criteria are stated only in the procurement documents

#### **II.2.7) Duration of the contract, framework agreement or dynamic purchasing system**

Start date

1 August 2023

End date

31 July 2026

This contract is subject to renewal

Yes

Description of renewals

optional 24 moth extension

#### **II.2.10) Information about variants**

Variants will be accepted: No

#### **II.2.11) Information about options**

Options: No

#### **II.2.13) Information about European Union Funds**

The procurement is related to a project and/or programme financed by European Union funds: No

#### **II.2.14) Additional information**

Although it is not envisaged the contract will be related to any third party funding we need to acknowledge that this may be the case.

In order to allow this Contract to be used for potential Funded projects we are notifying all tenderers that some services might be subject to part funding by, for example, the European Structural and Investment Funds Growth Programme for England (ESIF) etc.

---
