Under the terms of this contract the successful supplier(s) will be required to deliver Community Benefits in support of the authority’s economic and social objectives. Accordingly, contract performance conditions may relate in particular to social and environmental considerations. The Community Benefits included in this contract are:

Newport City Council have established a Work Based Learning Academy in order to work with clients and suppliers to embed Community Benefits into appropriate contracts for supplies, services and works. The Council would therefore like to work with the successful contractor in order to deliver community benefits, initially around work place training, apprenticeship opportunities, work experience and other initiatives that would benefit NEET's ('NEET' stands for young people aged 16-24 Not in Education, Employment or Training). Tenderer's are therefore required to provide a Community Benefits Plan as part of their tender submission, stating what actions they would take in order to support this initiative. The Plan submitted by the successful contractor will be incorporated into the contract and must be honoured and delivered.

(WA Ref:111332)

The buyer considers that this contract is suitable for consortia.
