- 72514300 - Facilities management services for computer systems maintenance

II.2.3) Place of performance

NUTS codes

- UK - United Kingdom

II.2.4) Description of the procurement

Lot 2 - Hardware & Software Resell & Renewals Management - This will include but is not limited to; hardware & software selection services, hardware & software resell (inclusive of professional services, support & maintenance), hardware & software renewals management.

A preferred supplier may be awarded for Lot 2 to manage the on-going renewals and resell of any additional software, licenses and products for pre-existing hardware & software solutions across the Utilities' estate. Lot 2 providers will also identify new hardware & software solutions based on the utilities requirements and subsequently manage the resell and any on-going renewals of the chosen solution, inclusive of licenses, products, support & maintenance services and professional services required for configuration/implementation. In addition, Lot 2 providers will manage the on-going renewals for any hardware & software solutions procured via Lot 1.

II.3) Estimated date of publication of contract notice

30 September 2021

Section IV. Procedure

IV.1) Description

IV.1.8) Information about the Government Procurement Agreement (GPA)

The procurement is covered by the Government Procurement Agreement: Yes

IV.2) Administrative information

IV.2.4) Languages in which tenders or requests to participate may be submitted

English

Section VI. Complementary information

VI.3) Additional information

The Utilities will be hosting a PIN workshop on Thursday 15th July where prospective bidders are invited to attend to gain an insight into the strategic intention of this framework and to participate in individual feedback sessions with the Utilities.

The workshop may be attended in person at "The Academy" - Hawksley Park, St Martin's Road, Stoneleigh, Coventry CV3 6PR or virtually (subject to government guidelines at the time, restrictions on number of attendees per organisation may be required). Attendance is not compulsory, nor is it a prerequisite for participation in any future tender activity.

Additional information relating to the PIN workshop is available upon request.

Attendance should be confirmed by Monday 5th July.
