Description

Marlborough Primary School is a primary school in Hounslow, Middlesex with a student population of approximately 536 aged between 3 and 11 years of age. The school is supported by a team of 85 teaching and support staff, including the catering team. There is one busy main restaurant, equipped with a modern, well-maintained kitchen, serving as the hub of its catering provision. As part of this tender, the school is seeking to replace its 6 ring electric range with a modern induction unit, (for information, the two combi ovens are 12 years old). This upgrade is expected to be included within the successful bidder's proposed capital investment package to support an efficient and sustainable catering delivery service.

The Headteacher, Natalie McKeever, in collaboration with the Senior Leadership Team (SLT), is committed to enhancing the school's catering services. As part of this commitment, the school is tendering its catering contract to secure a provider that can

deliver the very best service for every student at the school. The new contract will commence on 1st of January 2026 for an initial three-year term, with an option to extend for a further two years, subject to satisfactory performance and client agreement on budgets and service levels. The incumbent is Wilson Jones and due to a breakdown in working relationships the contract must start in January 2026.

This contract is designed to reward proactive management, ensuring high meal uptake, consistently high food quality and tangible contract support. The School, alongside CCL, expects the successful Contractor to reasonably guarantee their financial proposal and maintain excellent service standards.

The procurement process follows a two stage 'Competitive Flexible' approach, beginning with a Procurement Specific Questionnaire (PSQ) stage followed by an Invitation to Tender (ITT) stage after shortlisting. This process is managed under the Light Touch Regime, and the School reserves the right to refine the award criteria throughout and use accelerated timelines.

The School Business Manager and SLT has outlined key priorities for this tender, including:

A TUPE-compliant bid with recommendations for service equipment, serving points, staffing levels and a bespoke food concept to drive sales and uptake.

In short, the School seeks a trusted catering partner who can deliver their promises, achieve their sales targets, deliver their service enhancements in full. If bidders fail to demonstrate their ability to meet expectations, the school reserves the right to revert to an 'insourced' solution or post no award. Any investment proposals will need to be consistent with DFE guidelines.

The school also expects the winning bidder to support the school by crediting £5,000, the costs of the catering procurement, in their first monthly invoice.

Contract 1. Marlborough Primary School Catering Tender

Supplier

- [Olive Dining Ltd](#)

Contract value

- £636,849 excluding VAT
