Text

The Council's current control room analogue equipment was installed in 2008 and supports the monitoring of CCTV cameras. Public space and Council asset cameras at end of life are difficult to replace as many are digital and the control room is analogue. The Council wishes to award a contract for the provision of CCTV Control Room and Camera upgrade.

The Contract is scheduled to commence on 8th July 2024 and is for a period of 2 years, with 2 x 12 months optional extensions.
