II.1.4) Short description

This specification seeks to procure Circle of Security Parenting (COS-P) training to be delivered to suitable practitioners working in specialist perinatal mental health services and

maternal mental health services across all seven regions in England.

COS-P is a parenting programme for parents and caregivers of children between the ages of

4 months and 6 years. It is a targeted-selective programme delivered in a variety of health care settings and aims to improve children's attachment.

The Programme is based on 60 years of attachment theory and research about how parent/child relationships can be supported and strengthened; it makes attachment theory accessible and applicable to parents. (Attachment theory provides a framework for understanding children's fundamental relational needs and our responses to those needs as caregivers.)
