Options: No

II.2.13) Information about European Union Funds

The procurement is related to a project and/or programme financed by European Union funds: No

Section IV. Procedure

IV.1) Description

IV.1.1) Type of procedure

Negotiated without a prior call for competition

- The works, supplies or services can be provided only by a particular economic operator for the following reason:
 - absence of competition for technical reasons

Explanation:

The Contracting Authority (i) has a legal personality; (ii) is mainly funded by the Department of Health and Social Care; and (iii) has been established for the specific purpose of meeting needs in the general interest, and does not have an industrial or commercial character and therefore meets the definition of a "body governed by public law" under the Public Contracts Regulations 2015 ("PCR"). The PCR covers "public contracts" which means contracts for pecuniary interest which have as their object the execution of works, the supply of products or the provision of services. The Contract is a services contract under PCR, therefore, caught by the PCR and therefore bound to follow public procurement rules.

Regulation 32(2)(b)(ii) PCR describes the single operator exclusion and is the premise for this award without prior publication. This specific exclusion relates to a requirement to access a national network for pre-term birth, which is run by Imperial College. As such the services in question cannot be obtained by any other economic operator.

The Contracting Authority will enter into a contract with Imperial College London following the conclusion of a minimum 10 day standstill period from the date of issue of this notice. The 10 day standstill period will end on 07/05/2024 at 23.59 BST, enabling a contract to be signed on 08/05/2024.

IV.1.8) Information about the Government Procurement Agreement (GPA)

The procurement is covered by the Government Procurement Agreement: Yes
