Section II: Object

II.1) Scope of the procurement

II.1.1) Title

Student accommodation, conference administration and Catering bookings Solution

II.1.2) Main CPV code

- 55000000 - Hotel, restaurant and retail trade services

II.1.3) Type of contract

Services

II.1.4) Short description

The University of Nottingham wishes to engage with suppliers willing to demonstrate their capability to provide and support application software to manage student accommodation, conference administration and catering bookings. The current service is provided as an IaaS solution in Microsoft Azure Cloud services and managed by an external supplier.

This process is the beginning of our market engagement exercise designed to help us assess the maturity and depth of the marketplace, and to understand the ways in which an external Partner could meet the university needs. It is hoped that this process will better inform and scope any future procurement exercise, and help interested organisations understand our requirements.

Please be aware that at this stage we will not be formally assessing proposals, and nothing given or provided at this stage will be evaluated as part of any future procurement process. We welcome responses from suppliers and companies who feel that they have positive ideas on how our vision can be delivered.

**Please request the full Soft Test Documentation directly from - leanne.bryant@nottingham.ac.uk **
