II.1.4) Short description

PURCH2196 UNIVERSITY OF GLASGOW - CONSTRUCTION FRAMEWORK.

The University is seeking to establish a strategic framework to support all services and works relating to all Lots detailed below for the E&CS Operations and Capital projects. It is anticipated that the contract to formally appoint Framework Partners will be based upon

will NEC4 Contract Terms. It is anticipated that the contract to formally appoint Framework Partners will be based upon will NEC4, as well as equitable incentivisation.

Notwithstanding the framework lots having indicative value bands as detailed below and in the procurement documents, the University reserves the right to award a project higher or lower than the relative indicative value band where the size, scale and complexity of the projects means the University deems it is necessary, in terms of best value, technical compatibility and health and safety, to award the project within another lot.

The University's Construction Framework will be up to a maximum of six years (2 years fixed period with the option of extending by 4 x 12 months periods).

Refer to Stage 1 tender documents available from Public Contracts Scotland.

Returns should be submitted via Public Contracts Scotland, no paper copies will be accepted. Should paper tenders be submitted, they will be rejected. Further to this any questions or communications regarding individual tender exercises must be sent via the Public Contracts Scotland Portal. Tender queries received through any other channel will not be answered. Should users of Public Contracts Scotland have any problems with the web site they should contact website Support Desk, contact details can be found by following the 'Contact Us' option on the left hand menu at <http://www.publiccontractsscotland.gov.uk/default.aspx>
