This contract is divided into lots: No

II.2) Description

II.2.3) Place of performance

NUTS codes

- UKC - North East (England)

II.2.4) Description of the procurement

NENC Provider Collaborative are looking to assess the feasibility of establishing an

MHRA Specials licenced manufacturing facility capable of meeting Good Manufacturing Practice (GMP), quality and operational requirements to produce sterile medicines via aseptic manufacture.

The proposed output of this facility will be:

- 950,000 Ready to Administer (RtA) products
- 70,000 Systemic anti-cancer therapies and Monoclonal antibodies
- 70,000 Parenteral Nutrition products.
- 400,000 - 600,000 over labelled products.

In order to do this, we would like to understand the manufacturing equipment (VHP Isolator Technologies) available to produce the sterile medicines listed and how these will impact on the cleanroom design requirements.

It is intended to host a Market Engagement Event for providers of VHP Isolator Technologies on the 25th May 2023 to be held on site at:

North East and North Cumbria Manufacturing Facility, Northumbria Healthcare NHS manufacturing and innovation hub, Seaton Delaval, Northumberland.

Companies interested in attending the event must contact Kevin Marshall e-mail kevin.marshall@northumbria-healthcare.nhs.uk to obtain an information pack.

II.3) Estimated date of publication of contract notice

19 June 2023
