Scope

Reference

C0230

Description

The London Borough of Enfield is inviting potential Suppliers to submit tender responses to provide recycling and reuse services for Enfield residents at the Barrowell Green Recycling Centre. This is with a view of expanding from the current service from household waste to potentially including the ability for trade and commercial vehicles to use the site.

As such, the service will be split into 2 Lots. Suppliers are required to submit responses for both Lots in order to be considered for this opportunity. The Council will award to either Lot 1 or Lot 2, not both.

Lot 1

Operate the Barrowell Green site as a recycling and reuse centre (RRC) for household waste only with permits in place for vans and other vehicles as is the current model of service delivery.

Lot 2

Operate the Barrowell Green site as a recycling and reuse centre (RRC) for both Commercial and Household Waste. To note: Lot 2 has an estimated value of £0 as this approach will be working towards a cost neutral position for the Authority.

The duration of the Contract will be a fixed term of 5 years, with the option of a 2 year extension period.

Please note: The Authority will be holding site visit days at the Barrowell Green Recycling Centre on the 16th and 17th April 2025. Full details on how to register for the site visits and receive further details are contained within the Tender documentation.

This procurement process is being undertaken using the electronic tendering system,

'Atamis' (<https://londonboroughofenfield.my.site.com>)

The procurement is being run as a one stage Open Process under the Procurement Act 2023.

Suppliers will need to register an interest on Atamis via the aforementioned link and submit a tender submission no later than 12:00 Noon on Tuesday 6th May 2025 to participate and registration is free. Tender submissions cannot be uploaded after the return deadline.

Suppliers must also be registered on the central digital platform (CDP) using the Find a Tender Portal and ensure their core supplier information is up-to-date and accurate. The CDP is available at: <https://www.gov.uk/find-tender>

Total value (estimated)

- £3,451,000 excluding VAT
- £4,141,200 including VAT

Above the relevant threshold

Contract dates (estimated)

- 1 October 2025 to 30 September 2030
